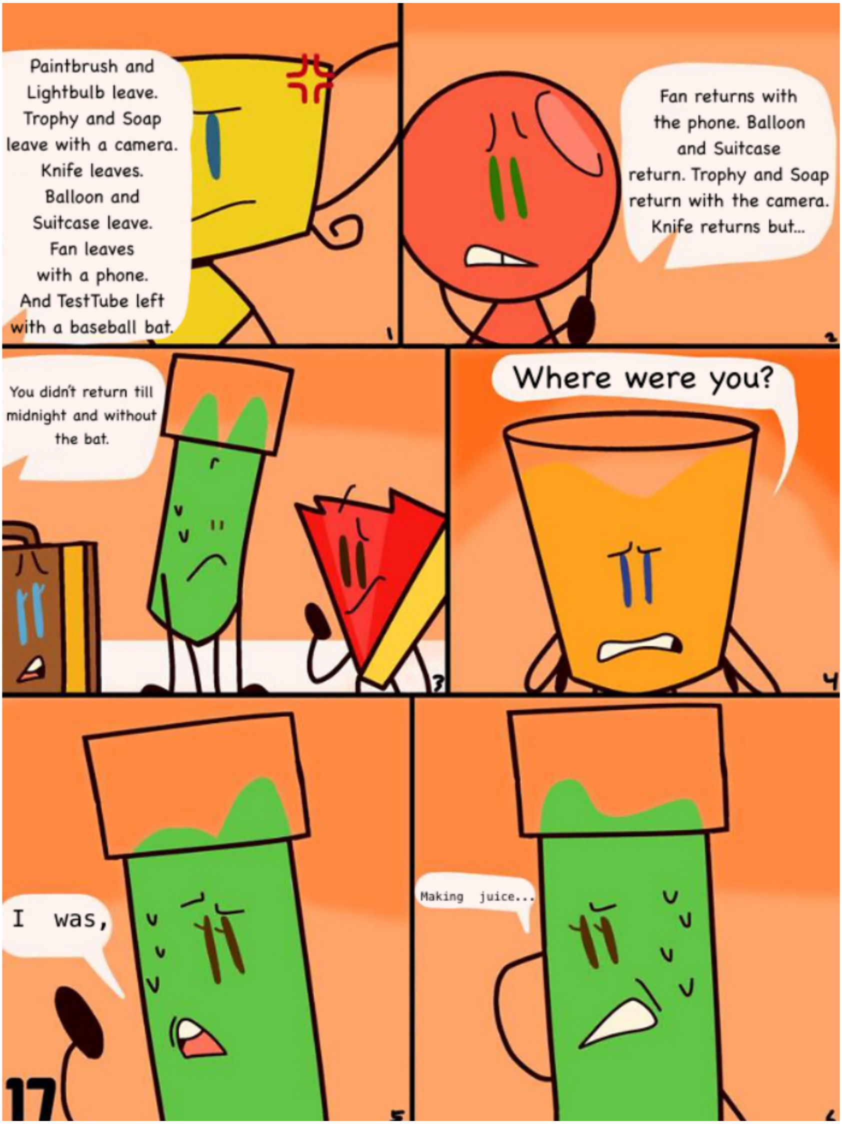
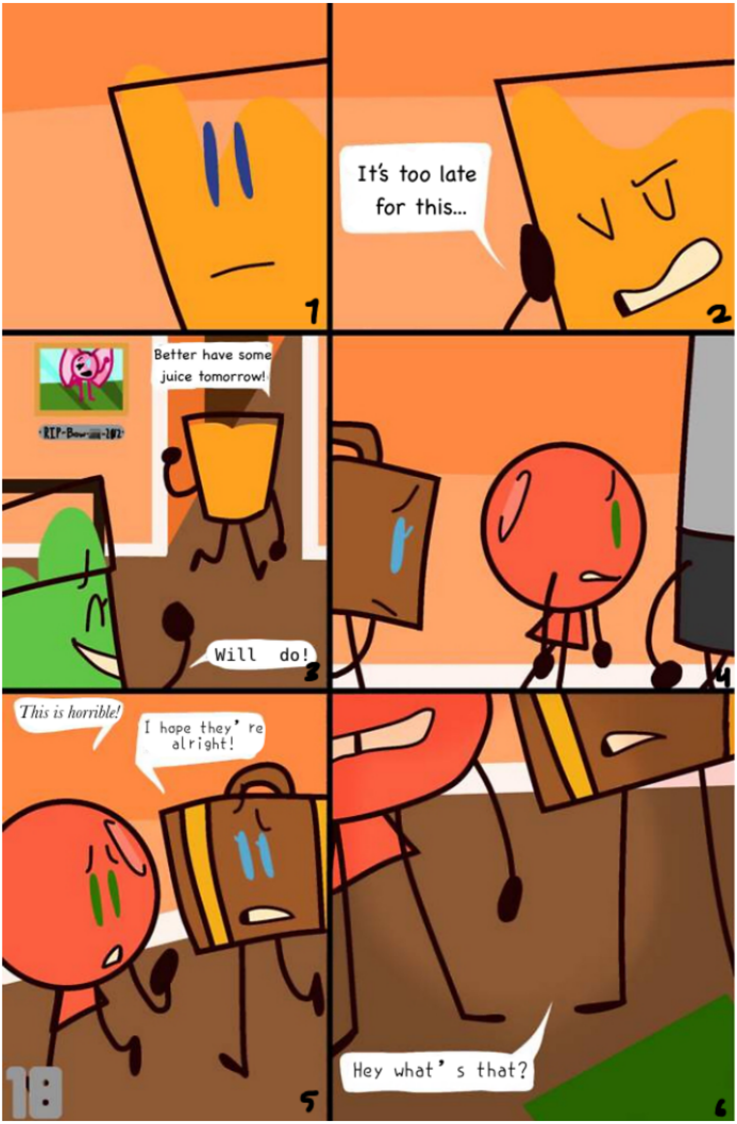
So as we all know,
Paintbrushs and Lightbulb went missing last week.
And they were nowhere in the woods either,
Luckily I installed cameras after Apple disappeared!
Because 3 people going missing makes cops very suspicious of you...
16
So let's have a look!



Paintbrush and Lightbulb leave. Trophy and Soap leave with a camera. Knife leaves. Balloon and Suitcase leave. Fan leaves with a phone. And TestTube left with a baseball bat.
Fan returns with the phone. Balloon and Suitcase return. Trophy and Soap return with the camera. Knife returns but...
You didn't return till midnight and without the bat.
Where were you?
I was,
Making juice...



1
It's too late for this...
2
·RIP-Bow-[illegible]-202·

When said medication wears off
later tonight (if planned right)
I will have a

eyes combined poorly.
This will be a difficult task.

What?
We haven't done this!
But that means-
It's happening today.
Hey! I'm back!

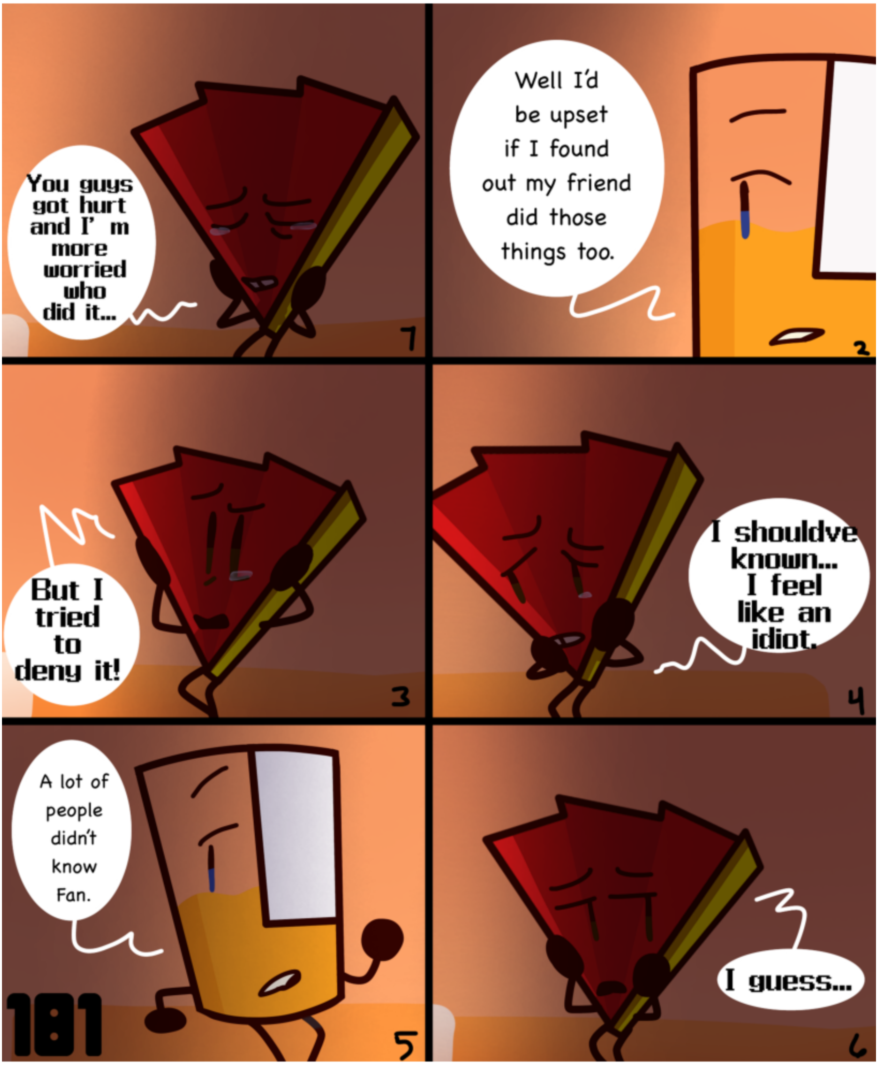
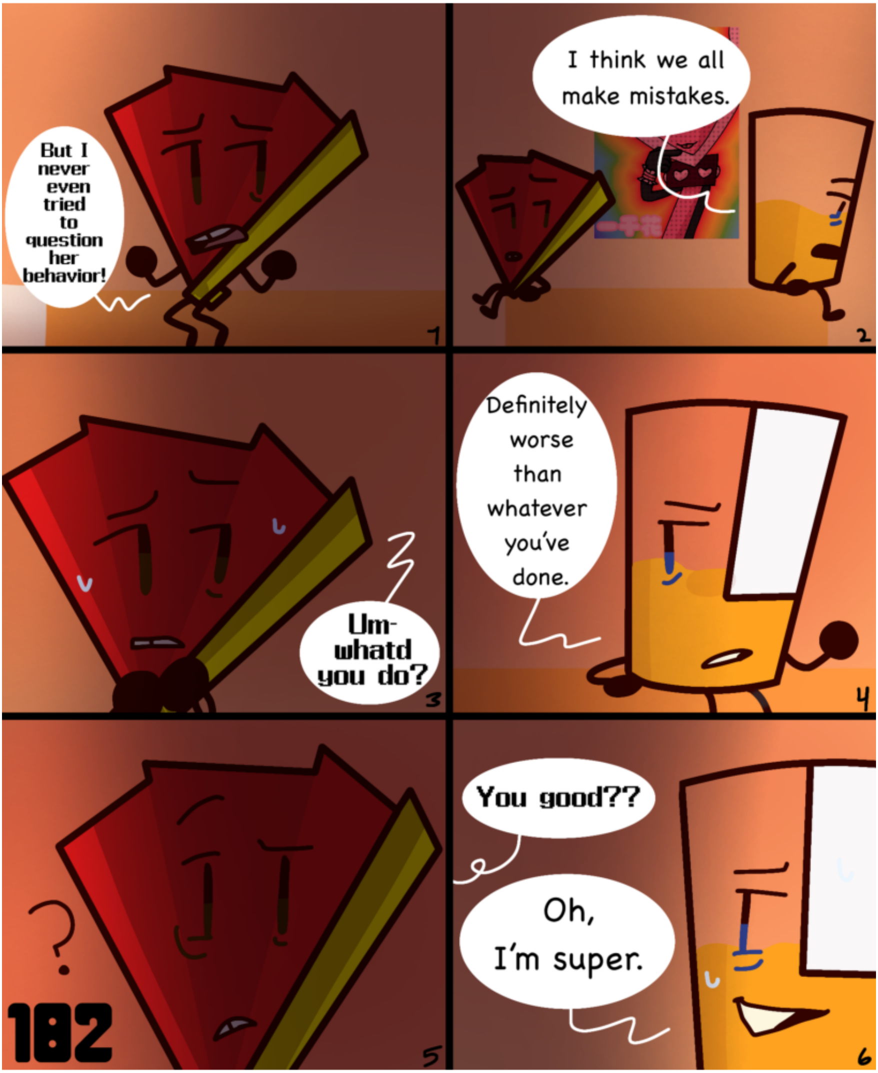
Next Chapter: Sunday, November 8th

:•)

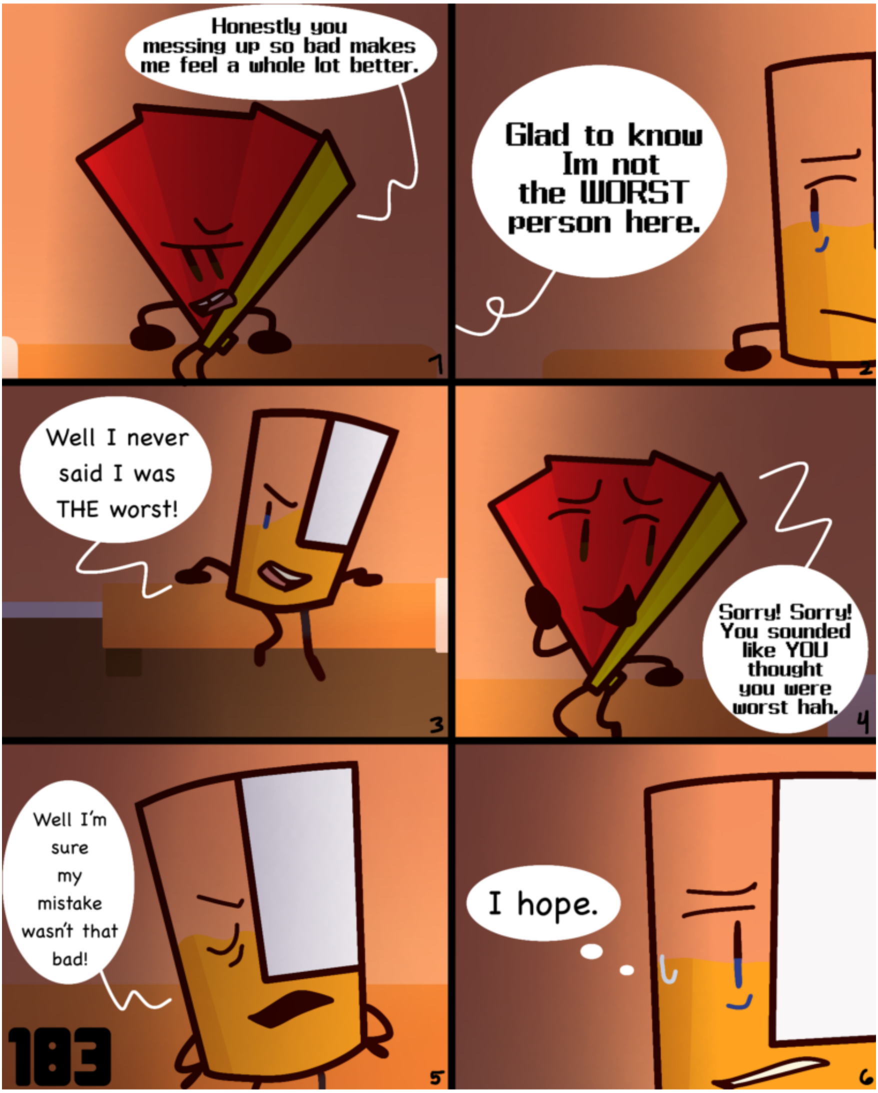
Pages 181- 190



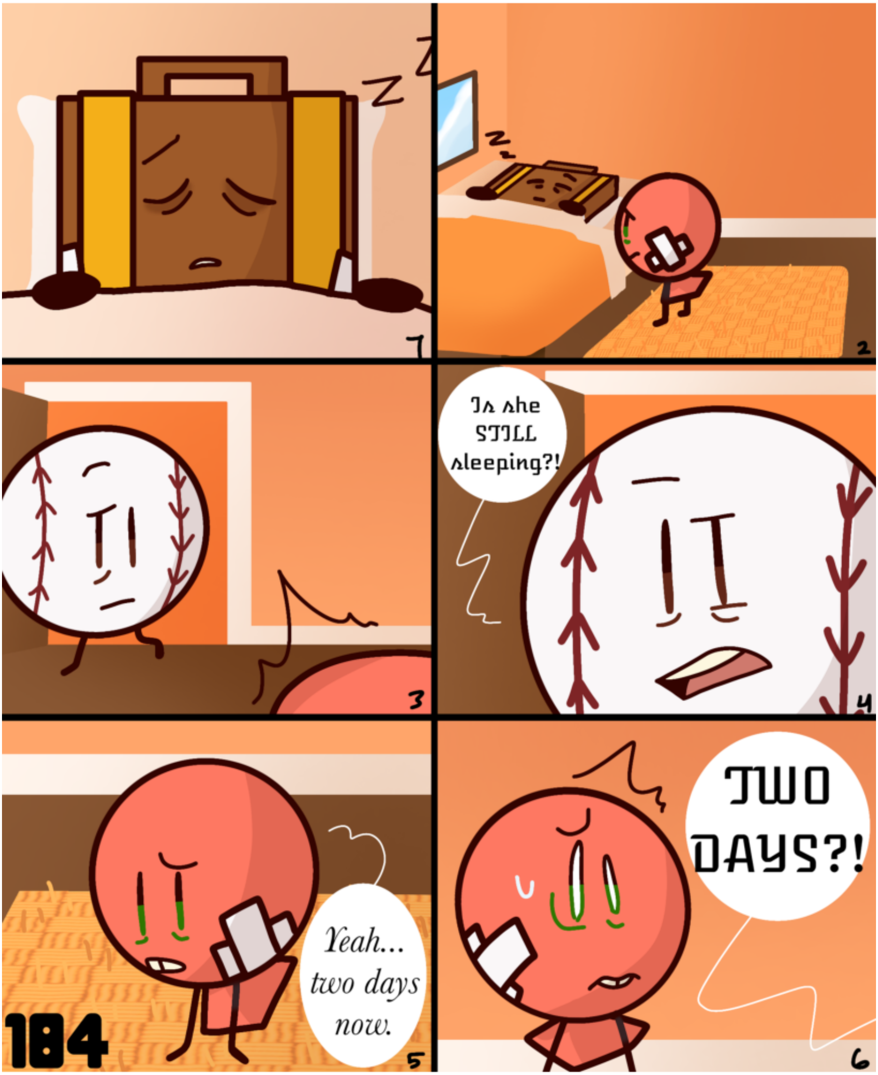
You guys got hurt and I' m more worried who did it...
1
Well I'd be upset if I found out my friend did those things too.
2
But I tried to deny it!
3
I shouldve known... I feel like an idiot.
4
A lot of people didn't know Fan.
181
5
I guess...
6



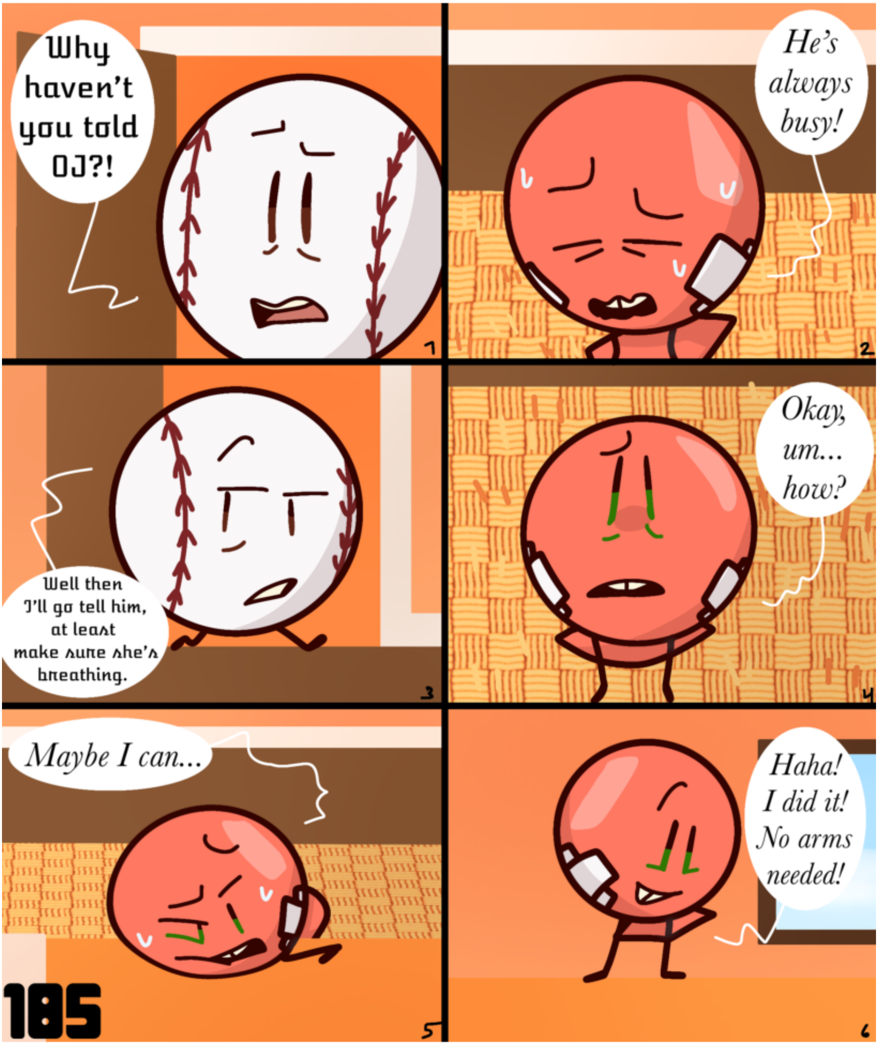
But I never even tried to question her behavior!
1
I think we all make mistakes.
2
Um- whatd you do?
3
Definitely worse than whatever you've done.
4
182
5
You good??
Oh, I'm super.
6



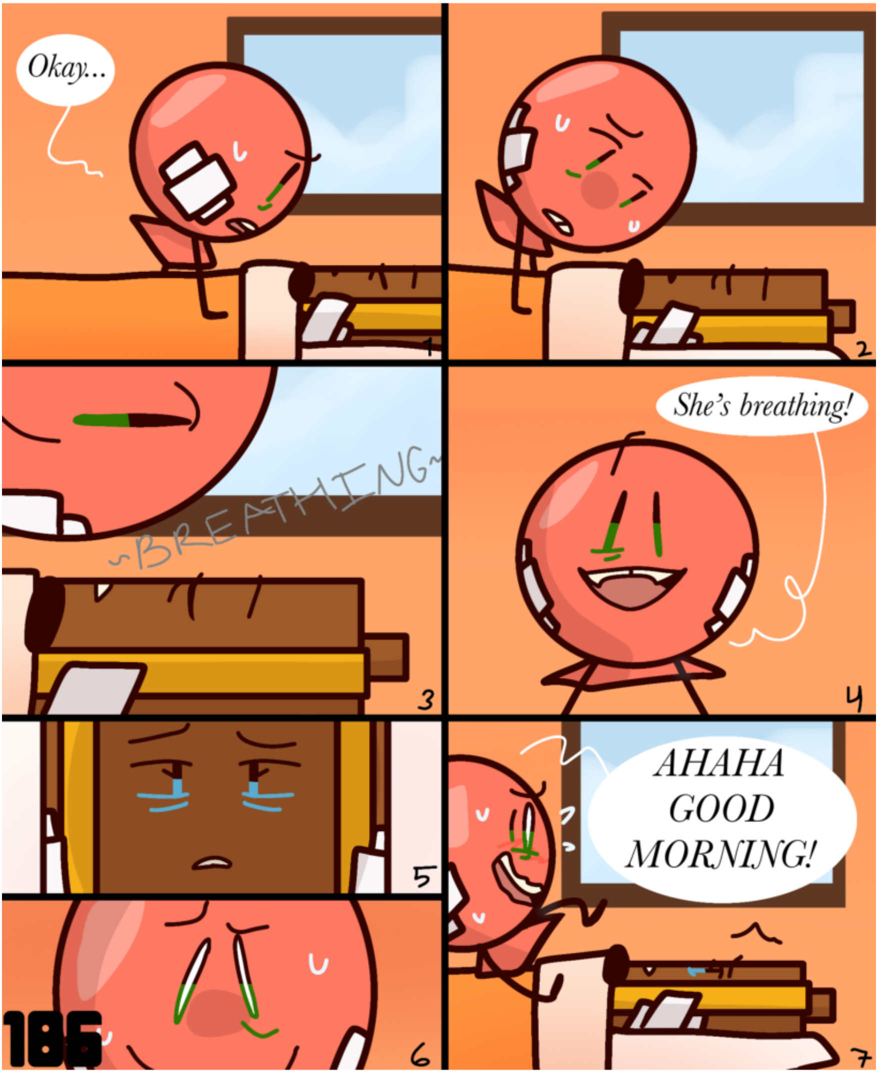
Honestly you messing up so bad makes me feel a whole lot better.
1
Glad to know Im not the WORST person here.
2
Well I never said I was THE worst!
3
Sorry! Sorry! You sounded like YOU thought you were worst hah.
4
Well I'm sure my mistake wasn't that bad!
183
5
I hope.
6



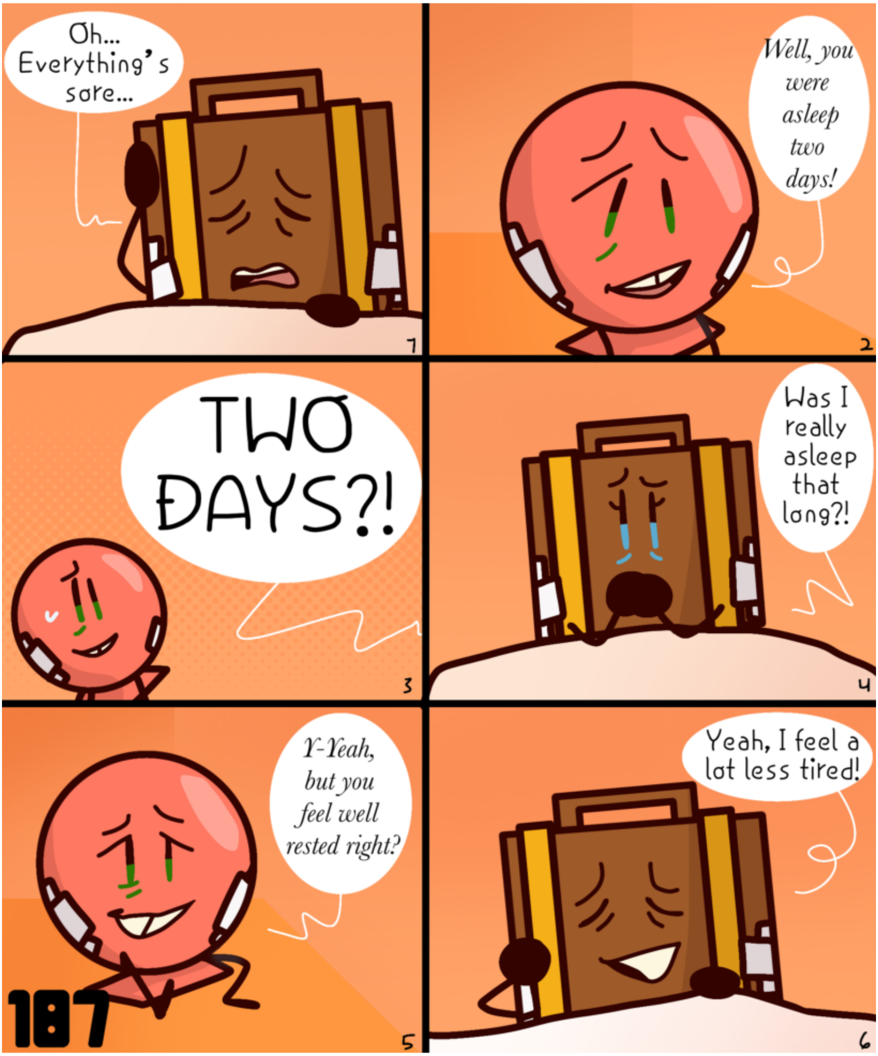
1
2
3
Is she STILL sleeping?!
4
Yeah... two days now.
184
5
TWO DAYS?!
6



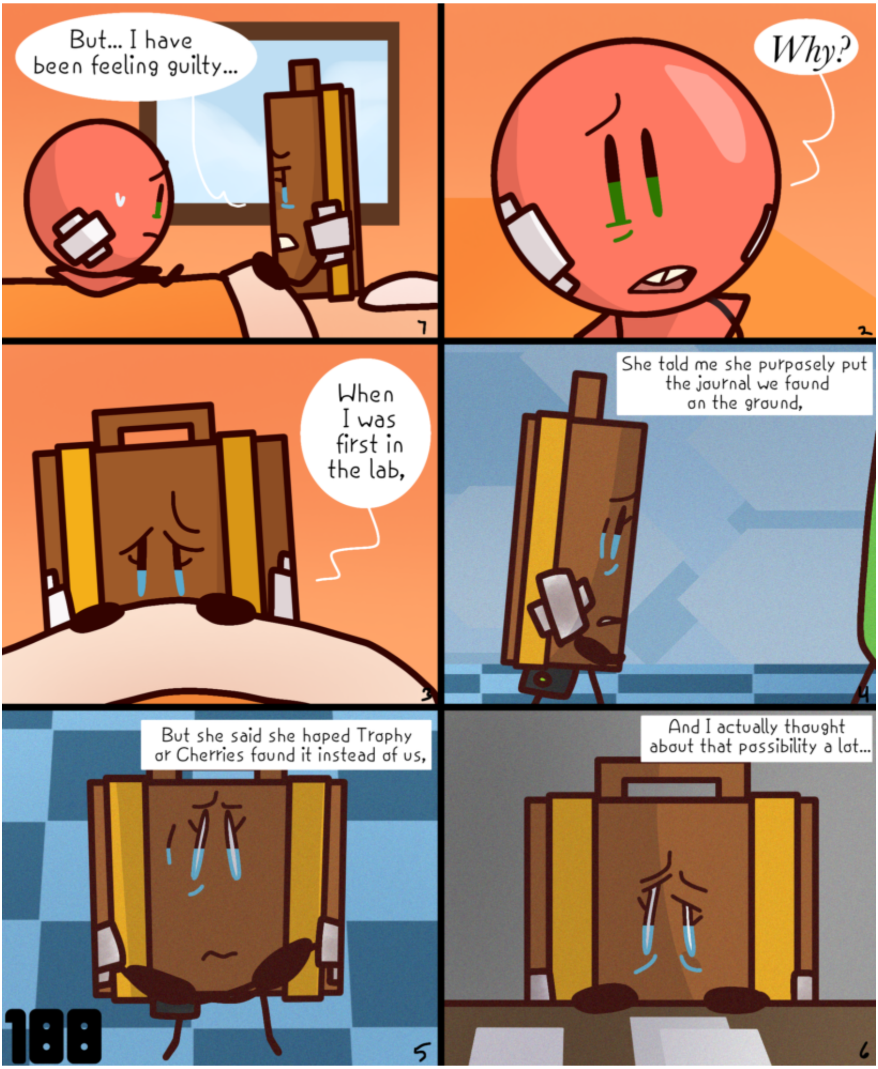
Why haven't you told OJ?!
1
He's always busy!
2
Well then I'll go tell him, at least make sure she's breathing.
3
Okay, um... how?
4
Maybe I can...
185
5
Haha! I did it! No arms needed!
6



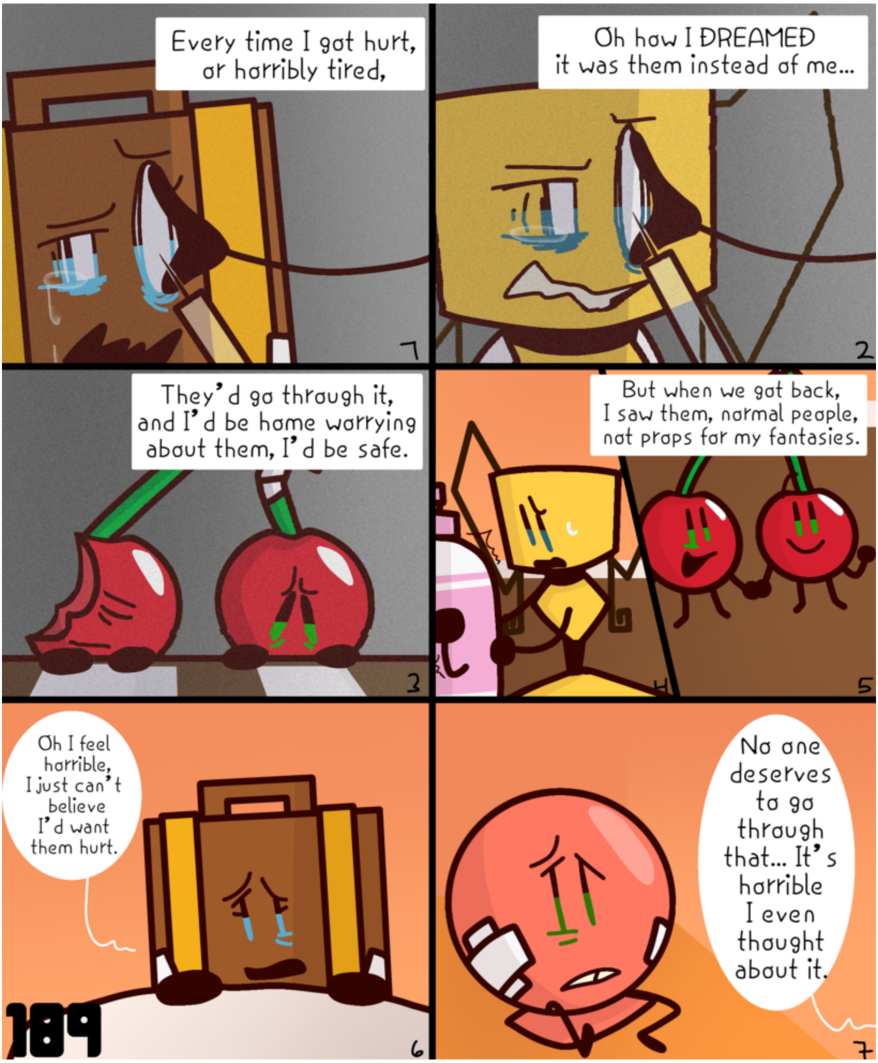
Okay...
1
2
~BREATHING~
3
She's breathing!
4
5
6
AHAHA GOOD MORNING!
7



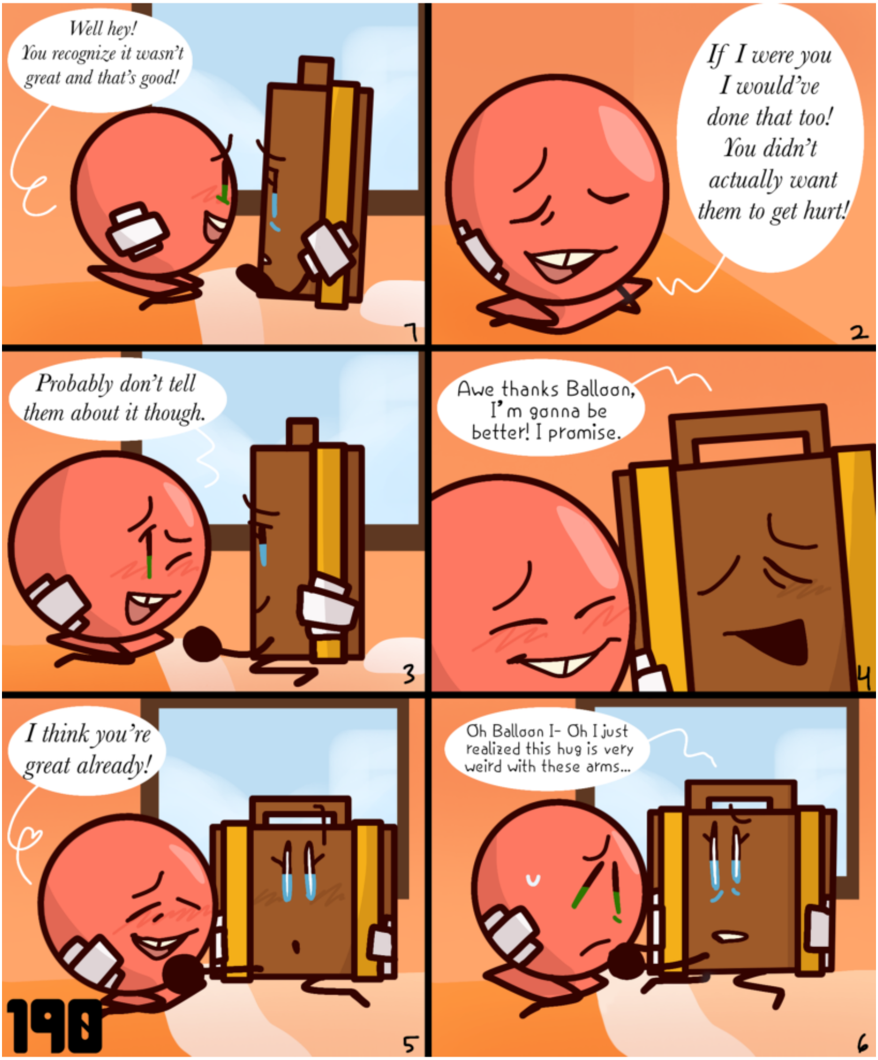
Oh... Everything's sore...
Well, you were asleep two days!
TWO DAYS?!
Was I really asleep that long?!
Y-Yeah, but you feel well rested right?
Yeah, I feel a lot less tired!
187



But... I have been feeling guilty...
Why?
When I was first in the lab,
She told me she purposely put the journal we found on the ground,
But she said she hoped Trophy or Cherries found it instead of us,
And I actually thought about that possibility a lot...
188



Every time I got hurt, or horribly tired,
1
Oh how I DREAMED it was them instead of me...
2
They'd go through it, and I'd be home worrying about them, I'd be safe.
3
But when we got back, I saw them, normal people, not props for my fantasies.
4
5
Oh I feel horrible, I just can't believe I'd want them hurt.
189
6
No one deserves to go through that... It's horrible I even thought about it.
7



Well hey! You recognize it wasn't great and that's good!
1
If I were you I would've done that too! You didn't actually want them to get hurt!
2
Probably don't tell them about it though.
3
Awe thanks Balloon, I'm gonna be better! I promise.
4
I think you're great already!
190
5
Oh Balloon I- Oh I just realized this hug is very weird with these arms...
6

Aren't they epic!!?!!?

Next Chapter: Wednesday, December 2nd

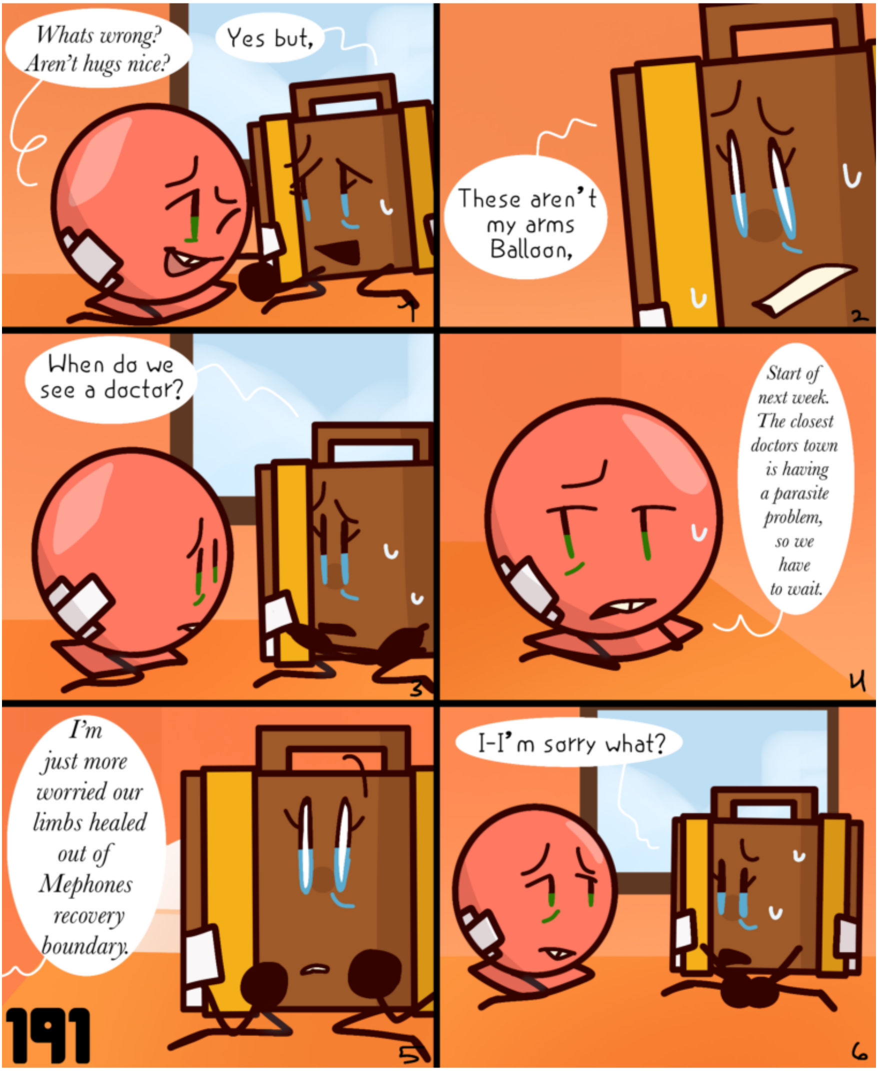
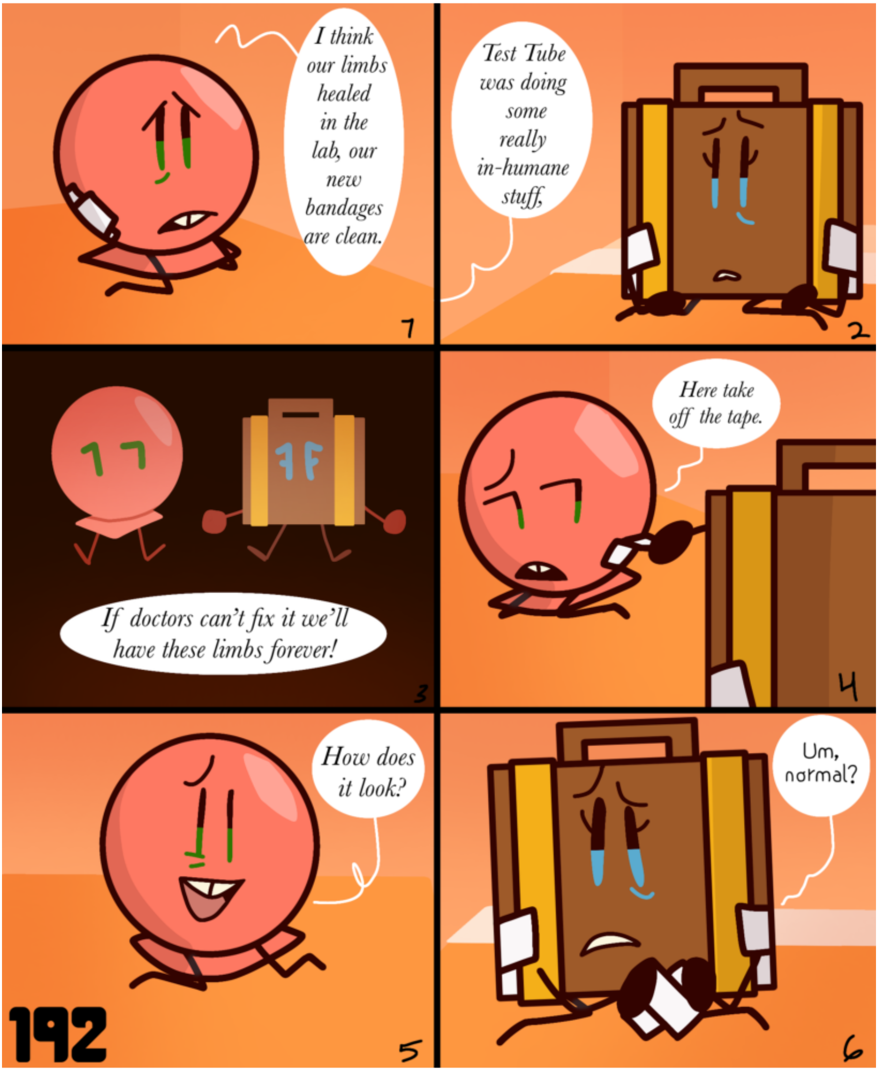
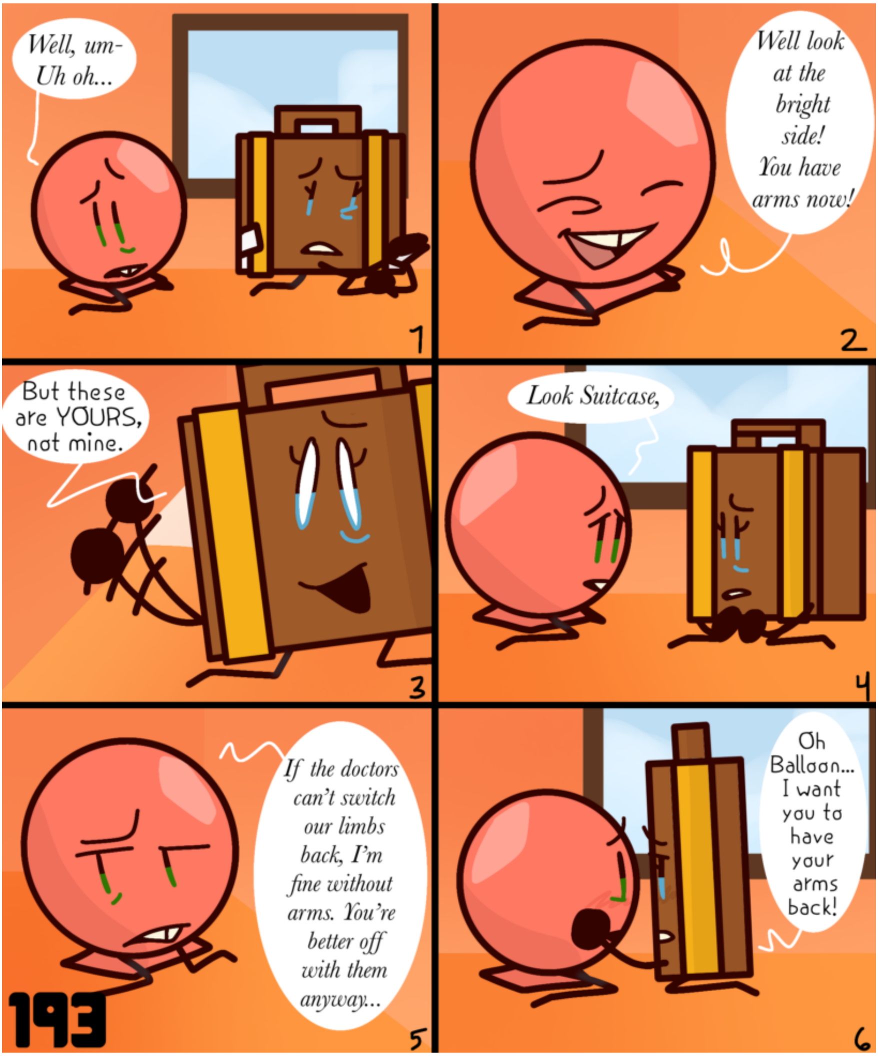
Pages 191-200



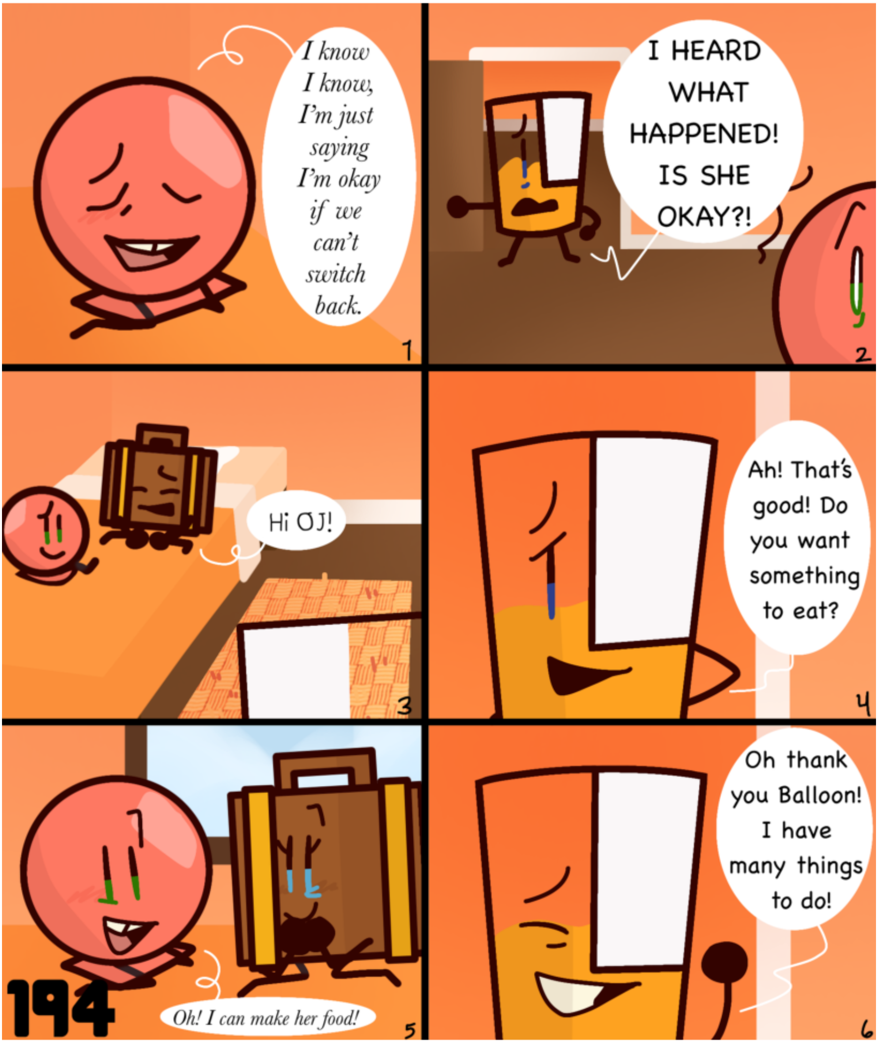
Whats wrong? Aren't hugs nice?
Yes but,
1
These aren't my arms Balloon,
2
When do we see a doctor?
3
Start of next week. The closest doctors town is having a parasite problem, so we have to wait.
4
I'm just more worried our limbs healed out of Mephones recovery boundary.
191
5
I-I'm sorry what?
6



I think our limbs healed in the lab, our new bandages are clean.
1
Test Tube was doing some really in-humane stuff,
2
If doctors can't fix it we'll have these limbs forever!
3
Here take off the tape.
4
How does it look?
192
5
Um, normal?
6



Well, um-
Uh oh...
1
Well look at the bright side! You have arms now!
2
But these are YOURS, not mine.
3
Look Suitcase,
4
If the doctors can't switch our limbs back, I'm fine without arms. You're better off with them anyway...
193
5
Oh Balloon... I want you to have your arms back!
6



I know I know, I'm just saying I'm okay if we can't switch back.
1
I HEARD WHAT HAPPENED! IS SHE OKAY?!
2
